We are delighted to revisit an enlightening article, "How Workplace Design Can Help Attract Gen Z," published in Work Design Magazine. Authored by Salma Siddiqi, a Senior Interior Designer at Aura, this article continues to provide invaluable insights into the ever-relevant topic of workplace design. It casts light on the influential role of workspace aesthetics and functionality in attracting the emerging Gen Z workforce.

This article offers a wealth of knowledge that can guide organizations and designers in creating spaces that resonate with the aspirations of the next generation of talent.
